Trust Department
101 E Main St
PO Box 100
Olney, IL 62450

The Frank and Mary Alice Godeke Scholarship Fund was established to provide financial aid scholarships to graduates of East Richland High School to assist them in obtaining bachelors degrees or higher degrees. Emphasis will be placed on those students obtaining degrees in the field of humanities; however, scholarships will not be limited to only the humanities field. Scholarships will be awarded to students based on merit rather than financial need. For continuation of the scholarship, award recipients will be required to maintain full-time enrollment status at the college of their choice, and a minimum of a 3.0 grade point average based on a 4.0 or equivalent scale. Failure to do so will result in forfeiture of the scholarship.

To be eligible for the scholarship, students must be graduates of East Richland High School and must have demonstrated academic ability throughout their course of studies. Additionally, applicants must have shown leadership abilities in both school related activities and in their community, and be of good moral character. Applicants do not have to be recent high school graduates, rather, may be any ERHS graduate who is pursuing a bachelors degree or higher with emphasis in the field of humanities. Additionally, award recipients may continue to apply annually for the scholarship until their degree has been received.

Applications are available through the East Richland High School Guidance Office, Olney Central College Financial Aid Office and First National Bank in Olney. You may also visit www.fnbolney.com, Other Services, Trust Services, for the link to the grant application. Completed applications should be submitted to First National Bank in Olney Trust Department by 10:00 a.m. on March 1st of each year. If March 1st should fall on a Saturday or Sunday, applications are due the prior business day by 10:00 am. Recipients will be chosen by the Godeke Scholarship Committee. All awards will be based on the funds available for distribution, and the number of qualified applicants being considered. This applies to both new scholarship awards and the renewal of current scholarship recipients. There is no guarantee of funding.
