<sup>1</sup>The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings. Early withdrawals may be subject to penalties. Penalties will be 1 month, 3 months, 6 months, or 12 months interest on the amount withdrawn depending on the term of the CD. Certificates of Deposits will automatically renew at maturity unless otherwise stated. Service charges and fees could reduce earnings.

<sup>2</sup>Rate may change at any time on variable rate accounts.

<sup>3</sup>First Class must maintain at least \$10,000 in one or a combination of accounts with our bank or First National Investment Center.

<sup>4</sup>The interest rate and annual percentage yield may change after the account is opened.

<sup>5</sup>Certain qualifications must be met each statement cycle.

Deposits or depositors are insured by the Federal Deposit Insurance Corporation up to \$250,000 for each depositor.

**Rates Effective as of 11/8/2021**
